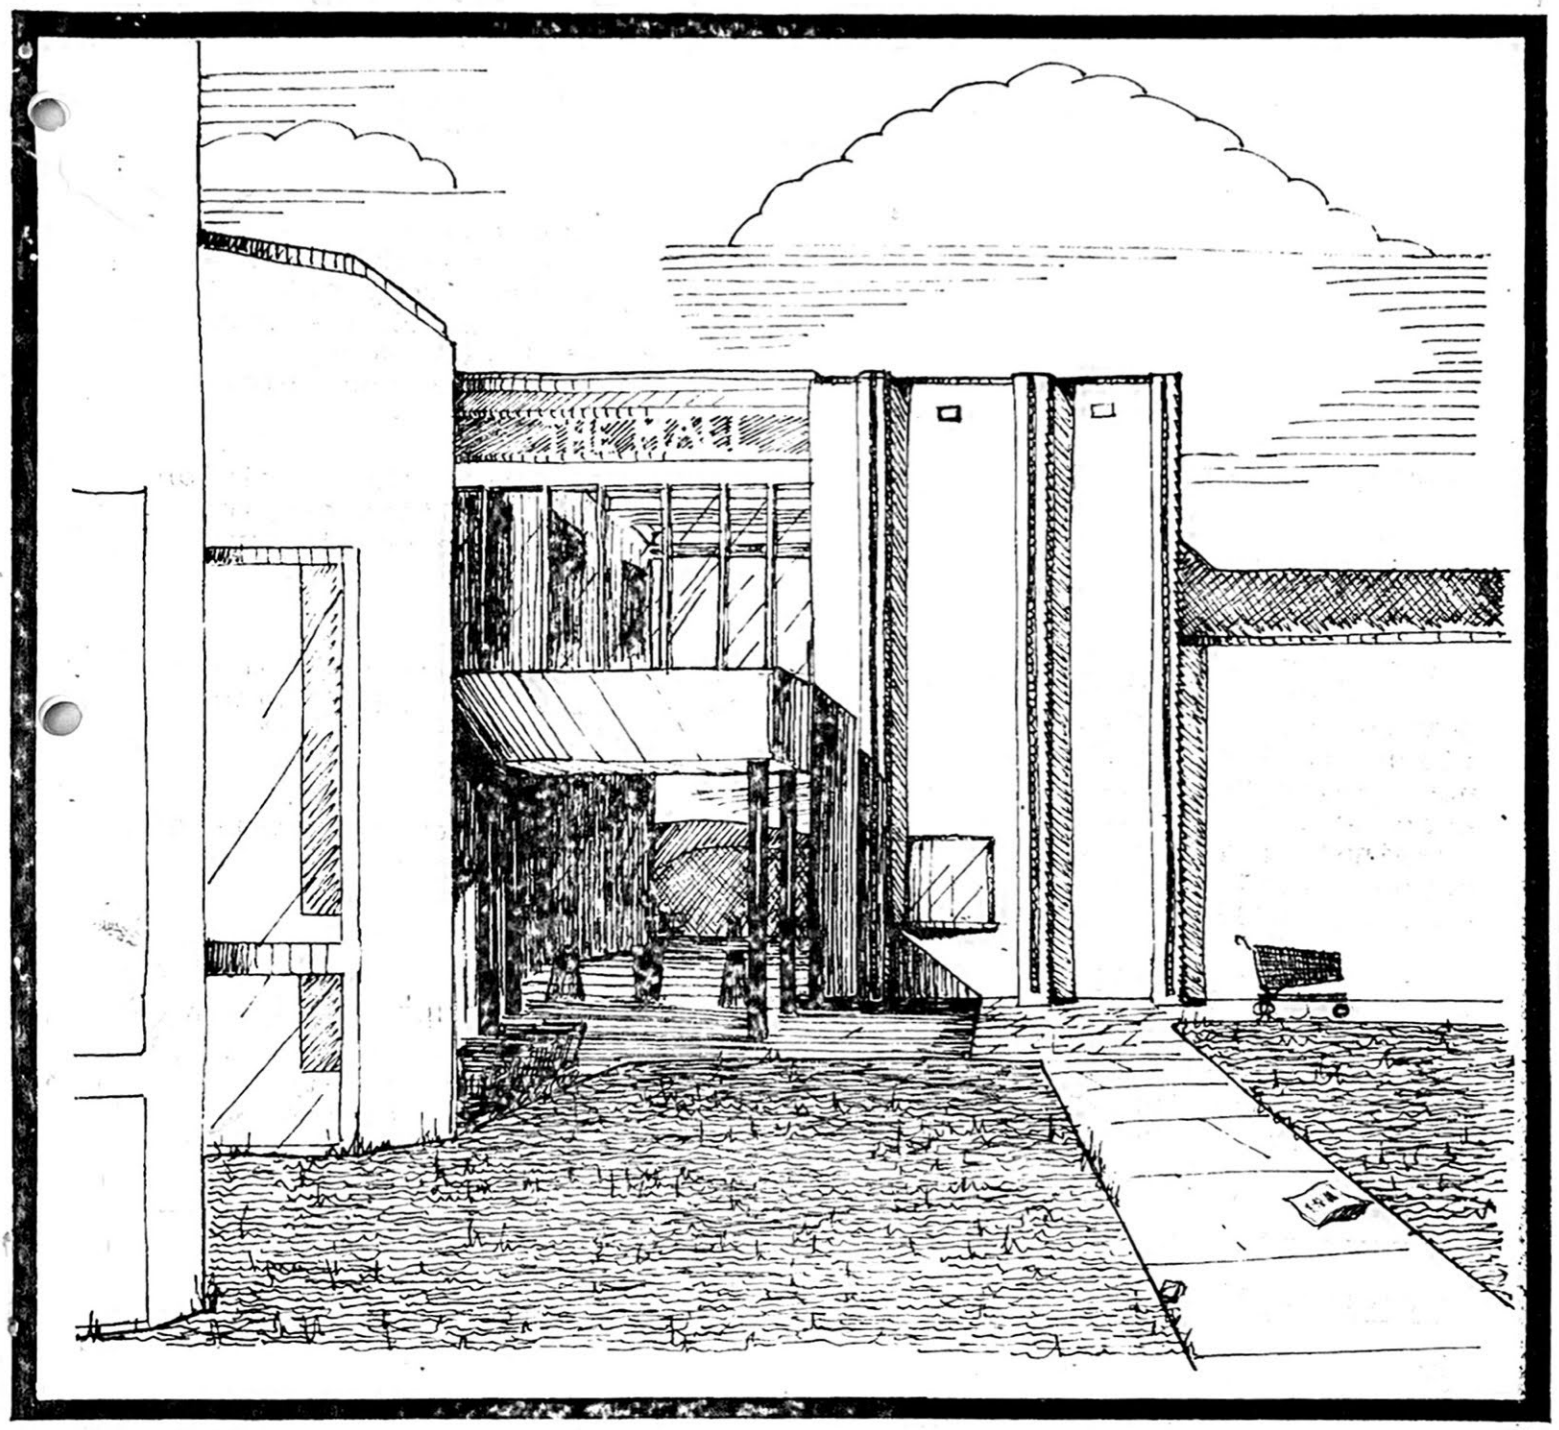
THE MONTHLY MAGAZINE OF THE RESIDENTS ASSOCIATION

No 209 APRIL 86



The objects of the BHRA are to act as an intermediary between the residents and other parties to keep residents informed of matters of importance and recreation in and around the village and to promote the interest of Bar Hill Village.

This is a private publication and may not be reproduced without permission.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 20th March in the Farm House.

Appointment of new Clerk

The Chairman announced that Mrs Christine McDermott had been appointed as the new clerk and would take over her duties on 1st April. The upper sotrey of the Farm House is to be turned into a Parish Council office and in due course it will be possible for members of the public to call in and see the Clerk there on official business. More details of this, together with the times when the office will be open will be published as soon as possible. In the meantime Mrs. McDermott may be contacted at the Old Farmhouse, telephone Crafts Hill 80456. The retiring clerk, Alec Green and Minutes Secretary, Christine Avery were thanked by the Chairman for all their hard work on behalf on the Parish Council.

Litter Day

The Council applauded the efforts of Mrs. Skelson and her team of volunteer helpers to clear litter from the village, on March 15th, and hopes that residents and visitors will now make every attempt to keep the village looking tidy. Various ways in which the Parish Council could help with the "litterbusting" initiative were discussed and these will be put into effect as soon as possible.

Sports Hall

Mr. Goodman reported on the recent meeting to explore the provision of sporting facilities in Bar Hill. He and his committee are to visit several sports halls in the area to discuss the setting up and maintenance of such a project.

Parish Council elections

The present Parish Council completes its term of office this month. Several members will not be standing for re-election and applications are invited from residents who would like to serve on the new Parish Council. There are 13 places to be filled and the election, if one is necessary, will be held on May 8th.

Nomination forms are available from the Clerk or from the District Council offices in Hills Road, Cambridge and must be returned by noon on April 8th.

Annual Parish Meeting

The Annual Parish Meeting will be held on Thursday 17th April at 7.30pm in the Church Centre. All villagers are invited to attend. Reports on the past years activities will be given and there will b be ample opportunity to question parish, district and county councillors. There will be no routine meeting of the Parish Council this month and the next meeting will therefore be held on Thursday May 15th at 7.30pm in the Farmhouse.

LITTER BUSTERS

Do you see any difference in Bar Hill since our clean-up day held on March 15th? Around 80 adults and 40 children turned up and enthusiastically set about undoing the damage caused by the all too numerous litter bugs who live in our village.

I thank them on your behalf. Their efforts produced a phenomenal amount of rubbish - far more than even I thought we would find. We didn't quite complete our task (another 2 dozen pairs of hands and we certainly would have done!) Several areas had to be left out - among them the Brambles hedge near Hillcrest, the drainage ditch and the large area opposite Field View. If anybody fancies tackling these please phone me or Veronica.

Should it prove necessary to have another 'Litter-Busting' in the future lets have a few more volunteers please. Yes we know that "our rates should cover litter collecting" and that it will be "as bad in a week or two" etc. etc. That kind of negative thinking gets you nowhere. Try a little positive joining in, even for just half an hour - you'd be surprised how good it feels.

Thank youto Tesco who collected bags of rubbish and umpteen abandoned trolleys. They will endeavour to keep on top of the litter in the future.

Thanks again to the adults and children who worked so hard.

Buster and Buster.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNCILLOR

Dear Resident,
Many thanks to all the people who have contacted me since the last Bar Hill News concerning street and footpath lights which have been out of order. I hope that when you read this letter most of the lights will have been repaired, please continue to keep me informed.

The main item on the County Council's February 25th agenda was the setting of the County Rate for 1986/7. The Policy Committee had proposed 194p in the £ an increase of 32.8% and this was finally agreed after three hours of debate where two other proposals one of 175p in the £ and one of 187p in the £ were discussed but rejected.

The Full County Council also agreed on their total opposition to the disposal of Nuclear Waste in Cambridgeshire, this proposal originating from the Policy Committee as a result of work done on the review of the Cambridgeshire Structure Plan. The Council also approved by a narrow majority to open all Working Party Meetings etc. to the public, this is likely to come into effect in the Spring after the next County Council Meeting. May I remind you that all Committee Meetings and Education Sub-committee Meetings where policy is decided are open for the general public to attend, information about Meetings is available from the Shire Hall and local Press.

The future of Religious based Education in Cambridgeshire is receiving considerable attention following a proposal to cease to maintain St. Bede's Roman Catholic Secondary School in Cambridge. This is the only Secondary School in the whole of the Southern part of Cambridgeshire that has a Religious Base. The Education Committee will be making its final decision on the future of St. Bede's on 1st April. There are over 40 children living in Bar Hill who have chosen to attend St. Bede's over the next 7 years, I have had a considerable number of letters from Bar Hill Residents on this matter and I can assure you that I will be continuing my support for St. Bedes's.

The planning Sub-Committee recently held a Seminar on key issues facing Cambridgeshire in the coming year. These include - Employment development - new Social Security proposals - Planning guidelines for the preparation of Committee Budgets - Conservation in the Countryside. The latter dealing with the Counties Tree Planting Policy, in the last decade over 70,000 young trees have been planted annually, 85% of the cost being covered by Landowners and the Countryside commission. Sadly over half a million trees have been lost through Dutch Elm Disease and many more have reached the end of their life span so it will take many years to repair this damage.

If anyone wishes to contact me please either telephone "Careline" on Crafts Hill 80975 or write to Councillor Reynolds, 4 Pettits Close, Dry Drayton, Cambridge CB3 8DQ

Yours sincerely,
J.E. Reynolds

BAR HILL PEACE GROUP

We are a group of people from different backgrounds and with different political views, but we have one thing in common - a commitment to peace and disarmament. Originally our intention was to provide a forum for the discussion of peace related issues, and from time to time, to invite guest speakers but we have now evolved into a Peace Group, meeting occasionally to try to find ways in which the aims of the peace movement can be promoted. On some occasions we may take part in activities organised on a wider scale with other groups, while at other times we may organise events within Bar Hill.

If you are interested in the peace movement and would like to meet other people with the same views, please contact me.

STOP PRESS

Don't be disillusioned by the mess left behind after those ferocious winds of the 24th. It's within your power to correct the damage - take a carrier with you next time you're out and fill it up on the way home (as I have done several times since the anti-litter day).

It only takes five minutes and if it keeps Bar Hill looking as nice as it did, then isn't it worth the effort?

Be proud of being a Litter-Buster and hope more people will follow your example.

TESCO please note

The front of Bar Hill is once again covered in your litter. Please support us in our ambition to have a clean and tidy BAR HILL.

SPORTS HALL PROJECT

Following a well attended meeting at the Village Hall on 7th March 1986, a working committee has been set up with 8 members. We shall be doing a house-to-house canvas in your road to find out what you would like to see in your sports hall so that these ideas can be borne in mind when planning the facilities and fund raising.

We are looking for full support from this village as this project has to be self supporting from the beginning and over the next two years when hopefully we can see the foundations laid. The committee will be asking for your support during this time and we hope to give an up-date on progress in the months ahead.

BAR HILL COMMUNITY PRIMARY SCHOOL

When this letter is published your community school will be on holiday and will not be open until 10th April for either school or community activities.

The summer term which is ahead of us is one that we all look forward to - during the day with the better weather the children can play on the playing fields and games and P.E. can take place outside and for we adults its time for us to lean over the garden fence and compare roses (or weeds!) as well as standing to chat between going from a to b without being blown off our feet or frozen to the spot. With the lighter evenings and all this socialising on the highways and byways of Bar Hill the evening classes at the school take a break but never fear they will all be back with perhaps extra ones too in the darker days of autumn. There are two exceptions, Keep Fit and Yoga which will continue for the first half of the term only - providing numbers keep up and will start on Monday 14th April and Thursday 17th April at 7.30 p.m. respectively. Do come along if you haven't been attending so that you become supple for all that bending you will need to do when you weed your gardens. Of course the various clubs and societies will still be meeting (see the diary) so the school buildings will still be busy every evening.

Regarding the coming autumn programme please let me have your ideas for either a short series or a one off evening. I'm particularly looking for ideas that may interest the gentlemen of our community who seem to be rather neglected. As it is we cover interests that appeal to the young, old and ladies amongst the community but please let me have your suggestions for these groups too. Its your community school and its up to you to say what you would like. If there is an interest you used to follow in the community you previously lived in before moving to Bar Hill, or if you are trailing across the county to follow a current interest, perhaps we might be able to start a group here. Anyway do either ring me or drop in to see me, or even stop me in the street and put forward your ideas. Remember we are also open to non-residents of Bar Hill too.

As the result of a recent evening on Alternative Medicine it is hoped to arrange a 5 week course with a different specialist speaking on their particular branch of alternative medicine each week. Look out for more details in September.

The Community Users 2nd Annual Dance took place at the beginning of March and a very happy time was had by all. Users and their friends all gave every appearance of enjoying themselves and it was commented on by a group who had been invited in from outside the village that the occasion was one of the friendliest and relaxed evenings they had ever had. As I wrote last month Bar Hill is a very friendly place to all "newcomers" and those who haven't yet joined our activities do come along. We never eat people except on 30th February each year!

Community Co-ordinator

COLLECTORS needed for the Bar Hill Residents Association annual subscriptions. Just one or two people per Road/Street please. This will be end of March/April. Telephone Jackie on CH 81613.

BAR HILL ALLOTMENT SOCIETY

Once again we enter the growing season, and by the time you read this Easter will have passed and the allotment shop will be open EVERY Sunday morning from 11.30 till 12.30. You can buy all kinds of fertilisers, etc., at very competitive prices so why not come and join us.

For the more energetic among you we still have many plots for hire (rental £1.00 per new plot) and with a handy water supply there are plenty of opportunities for the gardeners amongst you.

My apologies to those whose seeds I forgot to order - this is still a mystery but hopefully no harm was done as there is still time to buy your seeds locally.

May I make a special appeal to dog owners (myself) not to let their dogs run free across the allotments - it may look like waste ground but some of the plotholders are having their crops damaged. We are happy to see you as long as your dogs are on a lead.

Could those members who have not yet paid for their manure please do so as soon as possible. We recently held our A.G.M. which was attended by six people, so we are still in operation (just).

Hope to see any interested new (or old) members soon.

Any enquiries to: Dave Young, CH 81048

DAVE AND GERRY'S DISCO

As I write this newsletter I am watching the England - France Rugby match and as usual England are losing. Never mind, Bar Hill Village Hall Discos certainly seem to be winners. Our last effort was again well attended without any trouble (touch wood) and a good time was had by all.

By the time you read this we will have had our third effort and prices should be on the way down - probably to £1.75 initially but definitely a step in the right direction. You will all be asked how often you want the discos held - fortnightly, monthly, etc., - whatever you want we will do our best to supply. Any particular Disco you like we will try and book.

Gerry and I intend to put on a FREE evening in the future without any warning, other than our usual advertising, so our regular supporters will get their just reward.

We have two more bookings confirmed. Firstly, 18th April brings "SOLARIS 7" to the Village - they are expensive but very popular with the ladies, so we need all the support we can get unless you all want to see Dave with a long face. On May 9th we have the first return visit of Angus' "NIGHT MUSIC". This time he will bring all his "posh" gear as he is getting married the next day so we need all your support to give him a rousing send off.

I think I have taken up enough of your valuable time with my waffle so I'll see you all soon - keep supporting.

Dave and Gerry, CH 81048 for any further details.

TO ALL EXPECTANT MUMS

Are you tired of wearing the same few clothes, but unwilling to spend too much on things you probably won't wear after the baby is born? Well the local branch of the Natural Childbirth Trust may have the answer. They keep a collection of nearly new maternity clothes for sale at very reasonable prices. £1 for a top or trousers - £1.50 for a dress. If interested ring Linda James on Histon 3970. All money goes to N.C.T. funds.

BAR HILL CATHOLICS

This month we once again see Bar Hill Catholics taking on The Rest of the titans, this time on the football field. Will the underdogs triumph again? Will James Newcome achieve his greatest ambition - to win a Bar Hill sporting trophy to grace his bookshelves? Come to the Match of the Century and find out. Kick off is at 2.00 p.m. on the Village Green on Sunday 13th April.

This sporting extravaganza will be preceded by our Monthly Mass in the Church Centre, at 11.30 a.m. As yet we have been given no date for the start of a weekly Mass in Bar Hill, but we hope that this will be in the very near future. In the meantime, our regular House Masses continue. At the time of writing the venue and date of the April House Mass had not been fixed, but please ring me for information about this.

Colours Club for children of primary school age re-starts after its Easter break on Tuesday 15th April at 4.00 p.m. in Bar Hill School. We are now using Mr. Neale's classroom in the new block.

Finally, we welcome Father David Finnegan as our new Bar Hill Priest, and wish Father Michael Vulliamy every success and happiness in his new post as parish priest of St. Philip Howard, Cherry Hinton.

We welcome any newcomers to the village. Please ring me if I can help with any information on Catholic activities in Bar Hill or Cambridge.

LITTER COLLECTION

What a marvellous day we had for our Litter Collection on Saturday, about 80 adults and 30 children turned up between the morning and afternoon collections. Dozens of bags of litter were collected - enough to fill four skips - our Village now looks cleaner so lets keep it up, especially keeping our own gardens clean of litter. Thank you to everyone who helped, the maintenance men who collected on their tractor and our grateful thanks to FREDA SKELSON who organised the Day, it has been worth it.

Bar Hill Res. Assn.

LETTER TO THE EDITOR:

I am writing to thank Freda Skelson for her very good idea of a clean-up day on Saturday 15th March. As one of the helpers I was amazed and somewhat disgusted at the rubbish which was found, i.e. car seat, car battery, garden refuse, builders rubbish. Let's hope that from now on we can all make a special effort to keep our village tidy.
